About Croda Foundation

Croda Foundation, established in 2020, is an independent charitable company set up by FTSE 100 specialty chemicals company, Croda International Plc, and is registered in England and Wales (number: 1196455). The Foundation is solely funded by generous donations from Croda International Plc and led by an independent Board of Trustees. We are working to sustainably improve one million lives by 2030.

Our focus areas

We support projects around the world to reduce hunger and poverty and improve livelihoods, improve access to healthcare and health provision, and protect and restore ecosystems. Croda Foundation carefully selects organisations, communities and charities around the world, identifying and funding projects that will have a demonstrable, meaningful impact on people's lives and address our priority and enabling United Nations Sustainable Development Goals.
